OBJECTIVE

Motivated B.Tech Computer Science & Engineering student (3rd Semester) at Parul University, enrolled in the Industry Embedded Program with Microsoft. Proficient in C and C++, with practical experience in HTML, CSS, and JavaScript gained through independent projects, and currently building skills in Java and Data Structures & Algorithms. Seeking a Software Development / Web Development internship to apply technical knowledge, contribute to real-world projects, and grow as a technology professional.

EDUCATION

Parul University, Vadodara, Gujarat

Bachelor of Technology (B.Tech) – Computer Science & Engineering

Industry Embedded Program (in collaboration with Microsoft)

Current Semester: 3rd | Expected Graduation: 2029 | CGPA: 7.24 (First Year)

TECHNICAL SKILLS

Programming Languages: C, C++, Java (Learning)

Web Development: HTML5, CSS3, JavaScript

Concepts: Data Structures & Algorithms in C++ (Learning), Object-Oriented Programming

Tools & Platforms: Firebase, Git, GitHub

PROJECTS

Sonic Immersion Project | HTML5, CSS3, JavaScript

github.com/Jaykumar026/sonic-immersion-project

- Developed an interactive audio/music experience web application with an engaging, visually driven interface
- Designed a responsive layout to ensure smooth performance and usability across screen sizes
- Built intuitive navigation controls using JavaScript to enhance overall user experience

Avengers-Themed Calculator | HTML5, CSS3, JavaScript

github.com/Jaykumar026/avengers-calculator

- Built an interactive calculator application featuring a custom Avengers-themed interface
- Implemented dynamic calculation logic in JavaScript to handle real-time arithmetic operations
- Designed a responsive layout for consistent functionality across desktop and mobile devices

Restaurant Website | HTML5, CSS3, JavaScript

github.com/Jaykumar026/restaurant-website-project

- Developed a responsive restaurant website featuring a structured menu display and interactive navigation
- Created a modern, user-friendly interface to enhance the browsing experience for visitors
- Applied CSS3 styling to maintain a consistent, mobile-friendly design across the site

CERTIFICATIONS & TRAINING

- Microsoft Certified: Azure Data Fundamentals (DP-900) – Certification Completed
- Azure Database Administrator Associate (DP-300) – Training Completed
- Microsoft Azure Fundamentals (AZ-900) – Training Completed
- Red Hat System Administration I (RH124) – Completed, July 2026
- Red Hat System Administration II (RH134) – Completed, July 2026
- Object-Oriented Programming Using C++ – iamneo – Completed, May 2026

EXTRACURRICULAR ACTIVITIES

- Participant, Smart India Hackathon (SIH) 2026
